

Sparkle!

your inner-beauty-light...

'cause Girl-School girls are **kind** girls that SHINE and SPARKLE their **inner-beauty-light** into the world!

YOUR SPARKLE-TASK THIS MONTH:

This month, you can shine your inner-beauty light by handing out these special sparkle-cards. The message says:

“You are beautiful, inside and out!”

If you’ve started your Girl-School Online course, and watched your first 2 videos, this will sound very familiar right? 😊

On the next page, you’ll see 9 sparkle cards. Print them, cut them out and keep ‘em close-by. Then, listen carefully to that “feeling” or “voice” in your heart when you’re with someone or think of someone that you feel needs to hear this message. It can be a friend, a family member, or even a stranger. You can give it to them personally if it’s safe to do so, or even leave it somewhere for them to find as a surprise, like in their pencil case or on their bathroom mirror. If you can’t see someone in-person, you can always send a photo of you holding the card - that will still light up their day!

And if you want to hand out more than 9 cards then GO FOR IT!
You can print as many as you want.

Thank you for shining your inner-beauty light in this world!

“Once a Girl-School girl, ALWAYS a Girl-School girl!”
